

## Your Instructor:

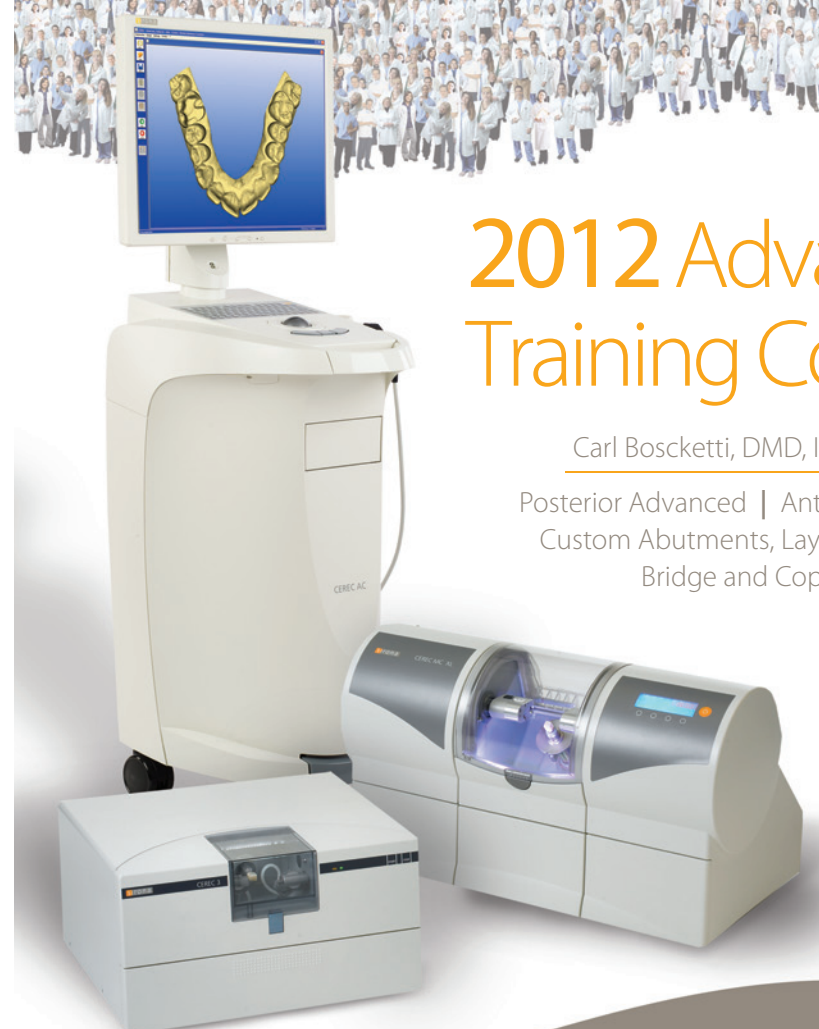

**Carl Boschetti, DMD**

A 1976 graduate of Tufts University School of Dental Medicine, Dr. Carl Boschetti is a member of the American Dental Association, the New Hampshire Dental Society, the United States Dental Institute and the Academy of CAD/CAM Dentistry. He received the Tufts Alumni Award for Restorative Dentistry and is also an ADA Clinical Recognition Award recipient.

Dr. Boschetti has been involved with CAD/CAM dentistry since 1997. He is a certified trainer for Patterson Dental and has taught basic and advanced courses for the past 12 years. With more than 12,000 restorations placed over the past 14 years, Dr. Boschetti is pleased to share with you his experience as to how CAD/CAM dentistry can change your practice and make dentistry fun and profitable.

# 2012 Advanced Training Courses

Carl Boschetti, DMD, Instructor

Posterior Advanced | Anterior Advanced  
Custom Abutments, Layered Zirconia  
Bridge and Copings

Boston Branch  
400 Research Drive, Suite 110  
Wilmington, MA 01887

## Course Descriptions:

### Posterior Advanced

This all-day program will be focused on 4.0 software. Includes:

- Review of materials and bonding techniques
- Review of software tool application
- Quadrant dentistry in correlation – a perfect anatomic replacement every time
- Designing and milling e.max or conventional VITA ceramics for stain and glaze using a universal glaze system for all ceramics
- Demonstrations in three post and core techniques for treating root canaled teeth

**Time:** 8:30 a.m. - 4:00 p.m.

**Fee:** \$1,400 for doctor and one staff member

**RSVP:** Call Jennifer Rodriguez at 978-262-5100 to reserve your class

### Anterior Advanced

This all-day program will focus in on design and mill anterior crown and veneer using 4.0 software. Includes:

- Review of materials, supplies and bonding techniques to help make anterior cases more enjoyable
- Techniques for tackling larger cases with focus on correlation
- Staining and glazing milled restorations using universal glaze for all ceramic types (firing time 6 minutes)

**Time:** 8:30 a.m. - 4:00 p.m.

**Fee:** \$1,400 for doctor and one staff member

**RSVP:** Call Jennifer Rodriguez at 978-262-5100 to reserve your class

### Custom Abutments, Layered Zirconia Bridge and Copings

In this all-day program, participants will design and mill custom abutments and crown for dental implant. Includes:

- Designing and milling three-unit bridge with zirconia frame and layered ceramic using VITA Rapid Layer
- Techniques for cementing and bonding for both abutments and bridge work
- Demonstrations on slotted bridges and cantilever preparation and design
- Sintering and staining and glazing zirconia and ceramics

**Time:** 8:00 a.m. - 4:00 p.m.

**Fee:** \$1,595 for doctor and one staff member

**RSVP:** Call Jennifer Rodriguez at 978-262-5100 to reserve your class

Attendance is limited –
