SPEAKER: Michael Skramstad, DDS

Dr. Skramstad is a 2000 graduate of the University of Minnesota School of Dentistry. He is a basic and advanced trainer for Patterson Dental and has lectured internationally on technology and the CEREC restorative process. Dr. Skramstad is a CEREC alpha and beta tester for Sirona Dental Systems and a product consultant for multiple dental companies. He currently is faculty in the CAD/CAM Department at the Scottsdale Center for Dentistry and www.cerecdoctors.com. Dr. Skramstad maintains a successful restorative practice in Orono, Minn., focusing on esthetic and CAD/CAM dentistry.

CAD/CAM Discovery

Is CEREC right for you? Find out at this event with CEREC master Dr. Michael Skramstad.

During this comprehensive seminar, Dr. Skramstad will discuss the CEREC costs and benefits in an open and honest manner. You don't want to miss this event.

Topics Include:

- CEREC – what it is and what it does for you and your patients
 - Return on investment from owning CEREC technology
- The latest member of the family, CEREC Acquisition Center (AC) powered by Bluecam
 - Fabricate CEREC restorations in 60 minutes
 - CEREC technology is the future of dentistry
- Utilizing CEREC single visit system, you are able to be more conservative than you ever thought possible
 - Much more!

Come hear about the NEW Exciting CEREC® 4.0 Software
