

Eaglesoft 16

Tour

What's new *in 16?*

Join us to learn about these updates and much more:

- Line item accounting – Apply a payment directly to a specific line item
- Customizable windows and dockable panels – Choose how much information to display on the Account, Appointment and OnSchedule windows and where to place information within these windows
- Family Walkout – Process a walkout for all family members at once
- Date-Based Reporting – Run financial reports for any range of dates

Much more!
