

Eaglesoft User Group Meeting

> No more paper, no more charts

November 11, 2011 or November 18, 2011

DEAR DOCTORS AND STAFF,

Please join us at our upcoming User Group Meetings in Davenport, Des Moines and surrounding area! The purpose for this study club is to introduce you to other Eaglesoft users and to help you get the most value out of your system. We will have different highlights at each meeting allowing you to maximize your Eaglesoft software throughout the year. Learn about technology or gain dental knowledge. Most importantly, these are your meetings so we will have time for discussion, question and answer period and to share among yourselves.

NO MORE PAPER, NO MORE CHARTS

- What does this mean to you? ·What is your ultimate goal?
- What are the benefits of being paperless? ·How far are you from being Chartless?

IMPLEMENT THE PLAN

- Develop the new patient protocol ·Develop the existing patient protocol
- Develop the chart retirement protocol ·Set the "D" day to implement the new process
- Learn what to do with your papers and all your options inside Eaglesoft
