Eaglesoft 16

Make the Most of Your New 16 Software

This class is for new Eaglesoft 16 users who have recently installed their software.

Explore the many new features including:
- Line Item Accounting
- OnSchedule
- Customizable Windows and Dockable Panels
- Bulk Payment Enhancements
- Date-Based Reporting
- Family Walkouts

Get all of your software questions answered by an Eaglesoft expert.
Registration is required – Seating is limited!

After the presentation, please join us for some complimentary refreshments.
