

# GRINS

*for a* **Good Cause**  
*Support Breast Cancer Awareness*

**Grins for a Good Cause** is Patterson Dental's initiative to promote local breast cancer awareness through our network of 75 branches. We have partnered with local breast cancer awareness organizations across the country to make a difference in the communities where we live and work. Last year we raised approximately \$300,000 for inspiring groups across the nation. With your help, we know we can make an even greater impact in 2011.

Look for our **Grins for a Good Cause** flyer in your mailbox in September. It features products you can purchase to support your practice's breast cancer awareness efforts during **Breast Cancer Awareness** Month in October and all year long. A portion of the proceeds from these products will be donated to local breast cancer awareness organizations.

Find products from these business partners and more in the **Grins for a Good Cause** flyer, which hits mailboxes in September.
