

# GRINS

*for a* **Good Cause**  
*Support Breast Cancer Awareness*

**Grins for a Good Cause** is Patterson Dental's initiative to promote local breast cancer awareness through our network of 75 branches. We have partnered with local breast cancer awareness organizations across the country to make a difference in the communities where we live and work. Last year we raised approximately \$300,000 for inspiring groups across the nation. With your help, we know we can make an even greater impact in 2011.

**Join us for a Raffle on 10/14/11** to support breast cancer awareness. We will be raffling off a **FREE** year of Technical Service to the winning office. **No need to be present to win.**
