Marie George, RDH, MS

Marie George currently serves as the curriculum coordinator and clinical educator in the MidAtlantic region for DENTSPLY Professional. She joined DENTSPLY in 2004 as the clinical education manager for the pharmaceutical division and transitioned to clinical education manager for the professional division with the 2006 merger. Marie has over 25 years of clinical experience, including general, periodontic and hospital-based practice. Prior to joining DENTSPLY, she held several appointments at the University of Pittsburgh School of Dental Medicine, including assistant professor of dental hygiene, clinical research coordinator for the Department of Periodontics, and CE lecturer for the Department of Continuing Education. Currently, she maintains adjunct faculty status with the Department of Dental Hygiene. Marie earned a Bachelor of Science degree in dental hygiene from West Liberty State College in 1983 and a Master of Science degree in dental hygiene from West Virginia University in 1995.
