### SPEAKERS:

Kindra O'Rielley, RDH, graduated from Ohio State University with a Bachelor of Science degree in dental hygiene. O'Rielley works for Dr. Neal Patel, in Powell, Ohio and attended the Las Vegas Institute for Advanced Dental Studies. O'Rielley is currently on a mission to teach dentists and hygienists to look at the complete individual who sits in the dental chair. Past speaking engagements include Sirona 3D Summits, advanced user training courses and GALILEOS group training.

Dr. William Davidson attended Case Western Reserve University and graduated with a Doctor of Dental Medicine degree in 1981. He is well known for practicing state-of-the-art dentistry and as an ISCD and Patterson-certified CEREC instructor and is sought after by both national and international groups. Dr. Davidson is a member of the International Society of Computerized Dentistry, American Dental Association and Sirona Speakers Academy.
