

ONE-ON-ONE ATTENTION.  
INSTANT RESULTS.

# TRANSITION TO CEREC® 4.0 WITH EASE

Join Dr. Peter Hagen and learn how to easily make the transition from CEREC 3.8 to CEREC 4.0 in an intimate, hands-on setting.

- Learn the new software, its features and shortcuts without having to find them on your own.
- Learn in a one-on-one, hands-on environment. Each office will have its own dedicated acquisition unit to use.
- Get results you can use the next day.

## HIGHLIGHTS:

- Streamline your cases with the new workflow
- Correctly use the new tool wheel to maximize efficiency
- Discover the three options for easy anteriors
- Import and export images from CEREC 3.8 to CEREC 4.0
- Gain milling and block selection strategies
- Explore exciting new quadrant and multiple arch techniques

  
**PATTERSON**  
DENTAL

## SPEAKER:

**Dr. Peter Hagen** is a 12-year veteran of CEREC technology and an advanced trainer for Patterson Dental. His straightforward approach to teaching CAD/CAM dentistry has made him a sought-after instructor for the CEREC user for the past eight years. In addition to his traditional classroom instruction and live patient demonstrations, Dr. Hagen travels to dental practices throughout the western United States, helping individual doctors with efficiency and clinical techniques in their own offices. A 1984 graduate from the University of the Pacific, Arthur A. Dugoni School of Dentistry, Dr. Hagen maintains a CEREC-driven private practice in southern California and is an active member of the Academy of CAD/CAM Dentistry.
