

You Are Cordially Invited to Attend!

PUT THE POWER IN YOUR HANDS

CE COURSE

WHEN

Wednesday, January 23, 2019

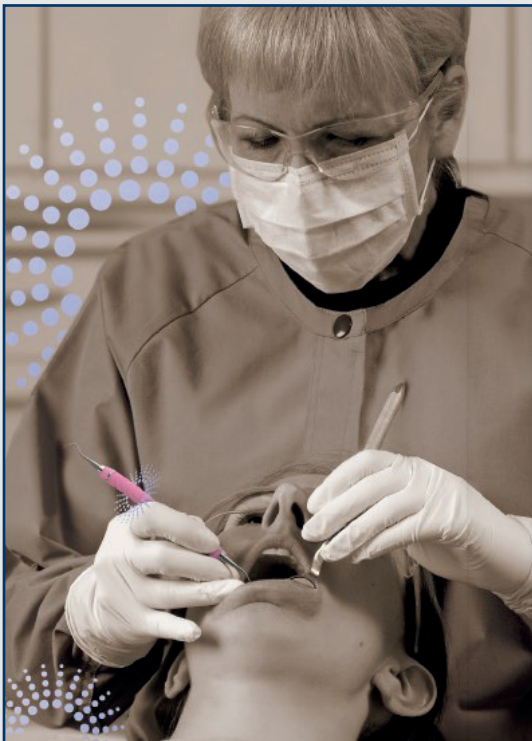

TIME

6:30 p.m. — 8:30 p.m.

WHERE

Patterson Dental
112 — 4152 27th Street NE
Calgary, AB
T1Y 7J8

2 CE CREDITS

Angela Clarkson, the Hu-Friedy representative for Alberta and Patterson Dental are pleased to extend an invitation to you to attend this informative CE course.

COURSE DESCRIPTION

This course presents innovative biofilm removal technology and instrument design options to meet the inevitable challenges of periodontal debridement. Examine the science and technology of subgingival air flow debridement and the design characteristics of a variety of power and hand instrumentation.

COURSE OBJECTIVES

- Explain the impact of biofilm removal.
- Determine clinical applications for use of air flow debridement for deplaquing, stain removal and root debridement of biofilm.
- Review the necessary instrumentation needed to provide quality patient care.

COURSE PRESENTER

Angela Clarkson, B.A. B.Ed.
Hu-Friedy Regional Account Manager, Alberta

COURSE FEE

\$20⁰⁰ + GST
