Soft-n-Fresh® Patient Care Disposable Towels (1/4 Fold)

Absorbent, disposable patient personal towels offer a more sanitary alternative to cloth and are designed with softness in mind.

Description:

Soft-N-Fresh® personal disposable personal towels are made from airlaid bonded cellulose to deliver an exceptional cloth replacement with high capacity and durability. Specifically designed with softness in mind for personal care use, these convenient Soft-N-Fresh® personal towels are a popular choice for patient care. Our Soft-N-Fresh® economical wipers feature a 1/4 fold (formerly C-Fold) design that provides fast dispensing for one or more wipers at a time.

Features & Benefits:

- » Airlaid material is thick and absorbent for extended use
- » Eliminates waste and labor costs associated with cloth washcloths
- » Convenient, protective, spill-resistant poly packaging
