

10 mL Single-dose

NDC 0409-6102-10

FUROSEMIDE
Injection, USP \mathcal{R}_x only

100 mg (10 mg/mL)

For I.V. or I.M. use.

Hospira Inc., Lake Forest, IL 60045 USA

Do not use if solution is discolored or contains particulate. Each mL contains furosemide 10 mg; sodium chloride sufficient to render solution isotonic.

RL-0202 (5/04)
