**NITE & DAY**

**TEETH WHITENING PEN**

Twist. Apply. Done.™

## BENEFITS

Start Pure®'s Nite & Day® whitening gel pens join to make a system that battles stains and noticeably whitens teeth up to an average of 2 shades in 2 days. The silicone rubber tip helps make application easier and helps the gel penetrate the hard-to-reach crevices between teeth. The pens are convenient to use on the go. You no longer need to deal with messy strips or trays.
